1. Introduction

Pakistan Single Window (PSW) is an electronic portal that allows parties involved in cross border trade and transport to lodge standardized information and documents using a single-entry point to fulfill all import, export, and transit related regulatory requirements. The PSW Mobile App extends this experience to your phone, giving subscribed and registered PSW users on-the-go access to key trade information and actions — using the same credentials as the PSW web portal.

The Mobile App is designed for quick visibility and action while you're away from your desk. It puts the tools you rely on most into your pocket, so you're never far from your trade activity. It allows Traders, Customs Agents, and other authorized users to view and track Goods and Single Declarations, check the status of licenses, permits, and certificates (LPCOs), manage payments and financial instruments, and stay informed through messages and complaint tracking — all from a single dashboard that adapts to your role.

With the PSW Mobile App, you get real-time visibility into your trade activity — from declarations and approvals to payments and support requests — keeping you informed and in control wherever you are. For more information about PSW, please visit our website www.psw.gov.pk.

2. System Requirements

- To use PSW Mobile App on Android device, the subscriber will require:
 - a. Android smartphone.
 - b. Android 11 or later.
 - c. Stable internet connection (Wi-Fi or mobile data).
- To use PSW Mobile App on iPhone, the subscriber will require:
 - a. iOS 15.0 or later.
 - b. Stable internet connection (Wi-Fi or mobile data).

3. Access Single Declaration

1. Log in to the **PSW Mobile App** using valid credentials.

The image shows the login screen of the PSW Mobile App. At the top, the PSW logo (Pakistan Single Window) is displayed. Below it, the text "Welcome Back!" and "Please login to your account." is shown. The login fields for "Username*" and "Password*" are highlighted with a red rectangle. The "Password*" field includes a toggle icon for visibility. Below the fields, there is a checkbox for "Remember me." and a link for "Reset Password". A green "Login" button is present, followed by an "Or" separator and a "Register" button.
